FORMAT

Tennis balls will be supplied. Players must bring their own racket, appropriate athletic apparel to include athletic shoes that do not leave a scuff or black mark on the court and something to drink and stay hydrated.

1. A random drawing will determine whom you play with for doubles with and which court.
2. Arrive at 12:30 p.m. to meet and greet who you are starting out with and warm up.
3. Round robin will start at 1 p.m.
4. Courts will be arranged 1 through 8 with the No. 1 court being the top or winner's court.
5. The team that wins on the top court will stay on that court and the team that loses on the bottom court will stay on that court.
6. Whether the team wins or loses, that team will then play the next match against each other forming a new doubles team from the other court.
7. The first team to win 3 games out of 5 games will advance up to the next court while the losing team moves down.
8. A match may not last longer than 30 minutes. You may take quick break before your next match. If the whistle is blown and the game count is tied, the next point wins. If the score is 30/30 and the whistle is blown during the point, whoever wins that point moves up. Always finish your point. If there are questions, you can ask the tennis coordinator.
9. Awards will be given to the player or players with the most wins and the most losses.
