INTRODUCTION

The athletic program is an integral part of the total school experience for both boys and girls. It offers a variety of sports and activities to all students who have potential skill and the desire to participate. The policies, procedures and regulations in this handbook are in compliance with school board policies and administrative procedures. They are designed to provide for successful experiences for students and the efficient operation of the athletic program. This handbook is an extension of the student handbook and shall be used by all principals, coaches, and players in grades 7-12. You, the student athlete, are accountable and responsible for all policies contained within this handbook. Individual coaches within their sport may add additional rules as long as they adhere to school policy.

ATHLETIC VISION

The Princeton athletic vision; To be a **family** with **integrity** and **discipline** that **competes** with **pride**. The athletic vision is a blueprint to build our athletic programs. These core values will act as a foundation for success. More importantly, this is an excellent way to create a common ground for every athlete walking the halls in Princeton. Our goal as a staff is to integrate this vision and these core values into our individual sports. To challenge ourselves to look beyond our individual team members to find athletes in different sports living out our core values. More importantly, to create a family with Panther Pride across all athletic programs.

STUDENT PARTICIPATION

The goal of the athletic program is to offer the opportunity of participation to all students. Interscholastic athletics fosters competition and cooperation. It also represents an area of great potential for teaching dedication, perseverance, courage, poise and practicing the pursuit of excellence. However, no student is obligated to take part in athletics. Participation in the Princeton ISD Athletic Program is a privilege, not a right. **Since it is a privilege, the coaching staff has the authority to suspend or revoke the privilege when the rules, regulation, or standards of the athletic program are not followed.**

SELECTION OF TEAMS

The head coach of each sport will determine the players on each team. The selection of teams will include, but is not limited to: skill level, knowledge of sport, attitude, and experience in the sport.

PRACTICE TIMES/SCHEDULES

According to UIL rules, school teams shall be prohibited from practicing team skills before or after school except during specified practice dates set forth by the UIL, and during the one allowable period during the school day. The respective coach in conjunction with the Athletic Director and other coaches of in season sports will arrange practice schedules for each sport. Attempts will be made to insure that practice times for one sport will not interfere with practice times for a coinciding sport. Student-athletes competing in multiple sports may at times be subject to overlapping practice and game schedules. Conflicts will be resolved on a case by case scenario. Each student athlete in multiple sports will designate there #1 sport and #2 sport to determine what sport to attend during game conflicts.

SELECT/CLUB SPORTS

In the case of a non-school related athletic event conflicting with school related athletic event, priority will be given to the school athletic event. **Missing a school related athletic practice or game for a non-school activity is unacceptable** and could result in suspension from participation in the following school athletic contest.

TEAM TRAVEL

All regular school transportation rules and regulations apply when on an athletic trip. All varsity student-athletes are expected to ride the transportation provided by Princeton ISD to and from all competitions. The approval of the head coach must be obtained for a student-athlete to return home with his/her parent/guardian, and this will only occur upon completion of a Princeton ISD Athletic Department Travel Consent Form. The Athletic Department strongly urges that all student-athletes leave with a parent/guardian only in emergency situations. Head coaches of each sport will determine if they will allow Sub-Varsity players to travel home after an away contest. Jr. High athletes will be allowed to ride home from away athletic events with a parent/guardian signature on a travel consent form. These forms can be downloaded from the school website.

Student-Athletes will follow the dress code for all bus trips, if not dressed in the team uniform before leaving the school. The school letter is among the highest awards the school bestows; the highest, of course, is the diploma. Athletes may receive from the school only one major award (a jacket) during their high school career. In order to letter, you must be on a varsity team and satisfy the requirements stated below. Sub-varsity athletes will receive certificates provided they are recommended for the award by their coach as a result to having shown good citizenship and character, attitude and attendance, in addition to having adhered to the policies contained with this handbook.

Varsity awards will consist of letter jackets. The school furnish these major awards to each athlete who meets the qualification for lettering.

Guidelines for lettering:

- UIL rules will be followed in regard to cost of jacket.
- No participant will receive more than one letter jacket during their high school career.
- Athletes will receive a jacket in the sport in which they letter first.
- The jacket will have no marking of patches on it except the letter. All other patches will be the responsibility of the athlete.
- Letter jackets will be the same for all sports.

Qualifications to letter:

Each coach will keep records of student participation in each sport. Such records will be used as a basis for determining whether a student qualifies for a letter. The athlete must complete the sport in order to letter or receive any post district award. Below are the criteria to letter in each sport offered at Princeton High School:

- Football must play in 20 varsity quarters to letter.
- Basketball must play in 60 varsity quarters to letter.
- Volleyball must play in 15 varsity matches to letter.
- Softball must play in 30 varsity innings to letter.

A participant may letter at the coach's discretion if the participant is considered to have been of exceptional value to the team. Exceptions may include playing on a team for four years and never lettering, a letterman who is injured and is unable to complete the season, or a specialist of some type.

Note: Any student who has qualified for an award but has quit or been dismissed from the squad for disciplinary reason will not receive an award

The Princeton Independent School District does not discriminate against any person because of race, creed, national origin, age, sex, economic status, or handicapping condition in employment, promotion, or educational programming. Student-athletes and parents are expected to follow the chain of command and first confer with the coach in question, then if necessary, the Head Varsity Coach of the Sport, followed by the Athletic Director and finally the Superintendent of Schools when an athletic concern exists. All academic concerns should be initiated with the teacher and then the campus Principal. Concerns addressing both athletic and academic matters should be addressed to the campus Principal and Athletic Director.

Thank you for taking the time to review the policies of the Princeton ISD Athletic Department. Please contact the Athletic Director or any member of the coaching staff with additional questions or concerns regarding the contents within the Athletic Handbook.
