I \_\_\_\_\_ have been notified that a Computerized Criminal History (CCH) verification check will be performed by accessing the Texas Department of Public Safety Secure Website and will be based on name and date of birth identifiers I supply.

Because the name-based information is not an exact search and only fingerprint record searches represent true identification to criminal history, Princeton ISD is not allowed to discuss any criminal history record information obtained using the name and date of birth method. Therefore, Princeton ISD may request that I have a fingerprint search performed to clear any misidentification based on the result of the name and date of birth search.

For the fingerprinting process, I will be required to submit a full and complete set of my fingerprints for analysis through the Texas Department of Public Safety AFIS (Automated Fingerprint Identification System). I have been made aware that in order to complete this process I must make an appointment with L1 Enrollment Services, submit a full and complete set of my fingerprints, request a copy be sent to Princeton ISD, and pay a fee of \$24.95 to the fingerprinting services company, L1 Enrollment Services.

Once this process is completed and Princeton ISD receives the data from DPS, the information on my fingerprint criminal history may be discussed with me.
